

EI CORRIDO DE LAUREN DE KETTERING, OHIO
Child Students at Hispanic Catholic Ministries
July 29, 2009 (Dayton, Ohio)

1. Now let me tell you a story
the story of my friend Lauren.
It happened in Kettering, Ohio
Her heart failed and her life was stolen.

2. My friend Lauren lived alone
She was always very nice.
She liked to work in the garden
She watered her flowers twice.

3. Anyone who is eighty-three
Must be careful when they walk.
It is good to have assistance
To go to the end of the block.

4. But Lauren, she did not listen
She was very independent:
When she was offered the help
She always turned down the attendant.

5. One day on Talisman Street
At about two-thirty-five
Loren's heart went into shock
She fell on the ground and died.

6. Some salesmen called an ambulance.
They only wanted to help.
People started gathering 'round
Because of the sadness they felt.

7. Thank you for listening to this story.
It all must come to an end.
I always will remember Lauren;
She was my very best friend.
